

RAP Art and Garden Tour

September 17. 2022

1:00pm – 4:00pm

Explore some of Roosevelt's gardens designed by the artist that live here and see their work in their natural habitat. The urge to create whether with brush, chisel, or trowel thrives in Roosevelt. Come see for yourself.

Pick up a map at 10 North Valley Road and leave a suggested donation of \$5, then take a stroll through town. The houses on the tour will be well marked. This event will be held rain or shine.
