

Composting: The Basic Alchemy of Black Gold

**Learn the basics of composting;
the seemingly magical process
of transforming your kitchen and
yard waste into black gold for
your soil. For this workshop we
will be using a commercial
composter, stay tune for future
workshops on other compost
bins.**

May 28, 2022

10:00 am – 12:00 pm

**Meet at the Amphitheatre at
Roosevelt Public School**
