Dear Voter:

I am writing to you about a new law recently enacted by Governor Murphy on August 10, 2018 regarding Voting by Mail. This law requires me to send you a Vote by Mail ballot for all future elections, even though you have not requested it, due to the fact that you requested and received a Vote by Mail ballot in the 2016 General Election. **This includes the November 6, 2018 General Election.**

The law signed by the Governor also mandates that I notify you that you will receive a 2018 General Election Mail-In ballot for this election and all future elections unless you inform my office in writing that you do not wish to receive a Mail-In ballot for all future elections. If you do not wish to receive a Mail-In ballot for the General Election and all future elections, kindly complete the pre-printed statement below and return it to my office no later than September 14, 2018.

Please be aware that if you do not notify my office that you do not wish to receive a Mail-In ballot for the November General Election by September 14, 2018, your name will not appear in the poll book at your polling place on election day, and you will not be able to vote on the voting machines.

I am very sorry for any inconvenience this may cause you, however, I must comply with the new State law. If you have any questions, you may contact my Elections office at (732) 431-7790.

Sincerely,

Christine Giordano Hanlon
Monmouth County Clerk
