

## Mad Science Summer Camp

Sponsored by the Borough of Roosevelt Recreation

Located at Roosevelt Public School

July 10-July 14 from 9:00am-12:00pm

### NASA: Journey to Outer Space

Take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena. Build your own Mad Science rocket and participate in a real NASA style rocket launch! Create a kitchen comet and bring home lots of cool NASA projects! **Mad Science is the ONLY organization licensed by NASA to use these activities for Summer Camps!**

July 17-July 21 from 9:00am-12:00pm

### Jr Physicians Academy

Explore all of the cells, organs, muscles, and bones that make up YOU! Put yourself together from the inside out, while learning about all the systems that make your body tick! Get microscopic while making a model cell, create a stethoscope to hear your heartbeat, and inflate model lungs that work just like yours! Get a little sticky while making "Mad Mucus" and a mashed potato brain!

July 24-July 28 from 9:00am-12:00pm

### NASA STEM Explorers

Think and act like NASA innovators during this hands-on program inspired by the NASA OPTIMUS PRIME Research Challenge (NASA OPSPARC). Use creative and collaborative skills to design a mission patch, train like an astronaut, build a Mars rover, and solve real-world engineering problems like how space cooling tubes can be used to solve a problem here on Earth!

## Register Now!
